Dear Stacey and Michael:

I want to tell you what a pleasure it has been working with you and your subs. The floor plan was unusual and required close attention especially by the framers. I don't think that they had built many 11 ft. ceilings or eight foot windows. But, it all came together just right. You and Michael smoothed out the wrinkles as they arose, and kept the project on time and budget (very important).

We would certainly recommend you and your team to anyone planning a new home in our area. You all have become more our friends than our builders.

Best wishes for TEXAS VINEYARD HOMES, I know that you will do well.

Bill Marsh
